0800 – 0930 Orientation Session

- 0800 Welcome and introductions (Wayne Spencer, Conservation Biology Institute)
- 0810 Plan overview (Kathryn Gaffney, ICF Jones & Stokes)
- 0840 Overview of science advisory process and workshop goals (Wayne Spencer)
- 0910 Brief statements from plan participants:
 - o Sandra Rivera, Alameda County
 - o Brenda Johnson, California Department of Fish & Game
 - o Mike Thomas, US Fish & Wildlife Service

0930 – 1200 Field trip to Wind Resource Area

1200 – 1300 Lunch (on your own)

1300 – 1600 Joint Session of Independent Science Advisors and APWRA Scientific Review Committee

- 1300 Welcome and goals for the session (Wayne Spencer)
- 1310 Brief presentations by SRC members (5 minutes each, followed by Q&A with advisors and SRC)
- 1400 Presentations (20 minutes each, followed by Q&A with advisors and SRC)
 - o Steve Citron-Pousty (ICF Jones & Stokes) –Modeling risks to birds from alternative turbine configurations.
 - o Doug Bell (East Bay Regional Park District) — Range management practices to reduce wind turbine impacts.
 - o Jesse Schwartz (ICF Jones & Stokes) –Analytical framework to support conservation planning.

1545 Public Comments

1600 Adjourn

The Conservation Biology Institute provides scientific expertise to support conservation and recovery of biological diversity in its natural state through applied research, education, planning, and community service.
